The Watertown Recreation Department is pleased to announce the offering of a limited number of scholarships for Watertown families whose children would like to attend the Buckingham Browne & Nichols Summer Camp. Each candidate must have a demonstrated and documented need for financial assistance or has a special circumstance that is considered exceptional.

The Town of Watertown is grateful to the Buckingham Browne & Nichols School for offering this outstanding opportunity. The camp options are identified at <https://bbnsummer.com/>, and scholarships are for any of their programs. Each child may attend two weeks of camp and if awarded the scholarship will be in the amount of \$400.00 each week toward the cost of the camp.

This scholarship is available for Watertown residents only. We will begin to consider applications starting February 19, 2020 and accept them until June 1 or until all slots are filled, whatever occurs first.
